

**REMARKS**

These remarks consist primarily of the substance of the interview between applicants' representative and Examiner Dang. Examiner Dang called applicants' representative and proposed an Examiner's amendment, which he faxed to applicants' representative. After reviewing the Examiner's proposal, applicants' representative called Examiner Dang back to propose several formal changes, which Examiner Dang agreed to on Friday, January 4, 2008. Those changes are reflected in the present amendment, which Examiner Dang has indicated place the claims in condition for allowance. The Examiner and applicants' representative agree that the amendments are fully supported by the specification.

If any remaining issues remain with respect to the claims of this case, it is requested that the Examiner call applicants' representative at the telephone number set out below.

No further fee is required in connection the filing of this Amendment. If any additional fees are deemed necessary, authorization is given to charge the amount of any such fee to Deposit Account No. 08-2525.

Respectfully submitted,
